Diet

- **Diet Package**

- We are so busy these days, there are certain things we tend to take for granted; things like food.
- Did you know?
- Our wellbeing is 80% nutrition and only 20% exercise?
- And you thought you needed a trainer! Our experts take account of your lifestyle and give you nutrition & diet plans which fit well within your life and help you lead a healthy and fulfilling life.
- Book your appointment now and get 6 sessions at the cost of 4.
- To Know more visit : https://hclhealthcare.in/health-checkup-packages/diet-plans/

Physiotherapy

- **Physiotherapy Package:**

- The biggest myth about pain is - you can deal with it alone. Whether your pain is due to an injury, or your joints and muscles are stiff, or you have issues with mobility .
- you need to consult a physiotherapist.
- Our pain management experts use advanced and innovative techniques and treatments to restore normal movement and function.
- Get freedom from pain now and enjoy your life!
- Book your appointment now and get 1st physiotherapy assessment session complimentary and 8 single location sessions for price of 7 sessions.
- For more details visit: https://hclhealthcare.in/health-checkup-packages/physiotherapy/
