## KNOW US BETTER

HCL Healthcare is one of India's largest corporate healthcare solutions firms. It is an eminent part of the US\$10.8 billion HCL global enterprise with over 187,000 professionals operating from 50 countries. HCL Healthcare is another revolutionary vision of Mr. Shiv Nadar. It aims to make corporate India a healthier place. Today, with over 400 highly qualified and dedicated clinicians across 9 on-site clinics, and the use of state-of-the-art technology, we are on the move to build a futuristic healthcare enterprise. Together we are on a journey to harness the power of prevention, and data access to help improve the health of millions of lives.

HCL Healthcare provides end-to-end healthcare solutions to employees and their family members. We are delivering personalized, sustainable, and managed healthcare solutions to organizations across sectors. We have also added lab services, virtual specialist doctor consultations, eye care solutions, and dental services. Our clinics are designed to international standards. We are committed to providing a comprehensive range of healthcare solutions for you and your family

**“ Jitender Kumar Singh**

*“Today, after availing of the smile correction procedure, I am feeling very confident. Thanks a lot, HCL Healthcare. Now I feel I can smile freely and openly. I would recommend HCL Healthcare and its dental care services to my family members, friends, and colleagues. I am also deeply motivated by the kind reception of the staff and doctors”*

#### “ Utkarsh Handa

“One of the main reasons I re-joined HCL Technologies is because of the amazing and personalized health care services offered by HCL Healthcare at its clinic, which is inside the campus itself. I really appreciate the process of conduct. It's a thumbs up from me and my family”

#### “ Bhanu Jalwani

“I am quite impressed with the quality of services offered by HCL Healthcare up on my visit for a health check-up. Right from the process of booking to every stage, there has been a smooth process. Definitely, I would recommend others to avail of health check up services offered by HCL Healthcare”

## TOP DENTAL SERVICES AT YOUR CAMPUS

### CASE STUDY

BEFORE

Patient reported to the dental OPD with a chief complaint of stained and mal-aligned anterior teeth. Initial plan was to restore only the small lateral incisors using veneers, but after evaluation of Images and radiographs the decision in consent with the patient was taken to restore his complete smile line using four zirconia Crowns. The result was a beautifully aligned and all fluorotic stains were masked.
